Nothing may be copied, shared or published outside The Nura Care without written permission. All work product created during the internship belongs to The Nura Care.

3 · CODE OF CONDUCT

We work with people at vulnerable moments, so conduct matters as much as output. You agree to:

- treat colleagues, clients and patients with respect, dignity and privacy;
- represent The Nura Care honestly and never give medical advice beyond your remit;
- follow our data-handling, safety and social-media guidelines;
- raise any concern or mistake early — we would always rather hear it than not.

written notice; The Nura Care may end it immediately for a breach of confidentiality or conduct.

We are very glad you are joining us, and we hope this is a period you look back on as genuinely useful. To accept,

Warm regards,
